Col. L. Robert Castorr
4511 - 33rd St. North
Arlington, Virginia

Dear Colonel Castorr:

Before the first of the year, Leon Loeb told me you would like to speak with me. I told him I would like to speak with you, also, and said I would arrange to be available when you were if I knew in advance. Recently, he told me he had mentioned this to you several times but without response and then dropped it.

I have no desire to press you. If you do not want to talk with me, that is entirely your affair. However, I have continued my work and researches and believe that it would be to your interest to do so. Should you agree, I will make a tape recording and give you a copy of it.

If you do not have copies of the several documents I quoted in WHITEWASH II that I believe you are interested in, I will provide them, whether or not you elect to speak with me.

Sincerely,

Harold Weisberg
